

Facilitated Enrollment for Dually Eligible Individuals Covered Under Medicare Part D

The facilitated enrollment contractor for Medicare Part D is Humana. Humana currently administers the LINET (Low Income NET) Program. This program serves as a safety net for dually eligible individuals who are not enrolled in a Part D plan. The LINET Program allows for the beneficiary's prescriptions to be covered at the point of sale, while also facilitating enrollment in a Part D plan. Beneficiaries are allowed coverage under the LINET Program for up to 2 months to allow time for enrollment to take place in a regular plan.

Enrollment in the LINET Program is indicated in the Medicare system as X0001 (plan ID). The billing information is listed below:

BIN – 015599

PCN – 05440000

Patient ID – Medicaid ID #

Cardholder ID – Medicare #

Group – Not Required

For assistance with processing claims to the LINET Program, pharmacists may call LINET at 800-783-1307. If the beneficiary is not showing as a dual eligible in Medicare's system but believes that they are, they may contact the SCDHHS Beneficiary Call Center (888-549-0820) for assistance.
