- III. Approval of Minutes from August 6, 2025..... P&T Committee
- The draft minutes from the previous P&T Committee meeting August 6, 2025, were emailed to the members for review prior to the meeting.
 - Duncan Norton, MD motioned to approve the previous P&T meeting minutes and Garrett Whittle, PharmD seconded the motion for approval. The minutes were approved unanimously.
- IV. State Updates Kevin Wessinger, MD and Kim Bristow, RPh
- Dr. Wessinger notified committee members that GLP-1 medications for obesity would be removed from the PDL 12/31/2025. There will be no changes to GLP-1 products with respect to the indication for diabetes. Wegovy will continue to be covered for indications other than obesity (e.g., MACE/MASH). If members are currently taking Wegovy for these indications, they may require a new Prior Authorization for those indications.
 - Mrs. Bristow notified committee members effective 1/1/2026 the MCOs will be employing the Fee for Service (FFS) reimbursement methodology utilizing lesser than logic at point of sale for In-State Independent Pharmacies, this will replace the Quarterly State Directed payments for prescriptions filled after 12/31/2025.
- V. Pharma Updates..... Manisa Bulsara, PharmD
- Dr. Bulsara informed the committee that the State plans to continue utilizing the randomization process for meeting requests in 2026. There will be one 40-minute meeting per entity per year. Any questions or concerns can be directed to scpharma@primetherapeutics.com.
